

February 8, 2024

Hello NOSD Community:

Recently, the NOSD School Board took the required steps to approve the resolutions necessary to have an operational referendum question on the ballot for April 2, 2024. The operational referendum will be very similar to what was on the ballot last year, but it will be a 4 year non-recurring operational referendum instead of 5 years. Below are links to our referendum webpage and referendum Facebook page that have been developed by our team:

[Referendum Webpage - Operational Referendum April 2024](#)

[Referendum Facebook Page - Northern Ozaukee School Referendum 2024](#)

The webpage provides many great resources including an introduction video, referendum flipbook of key facts, and frequently asked questions. Additionally, our referendum webpage and referendum Facebook page will be updated frequently with quick facts, FAQ's, and videos explaining the referendum. The focus of the messaging for this referendum will be centered around one-on-one and small group meetings to make sure voters in our district boundaries are well-informed with the facts. Please take 10-15 minutes to review these key resources so that all community members can be well informed. Every discussion that we have with residents in our district boundaries is important and will be key to the outcome of this referendum.

Thank you for taking the time to review this information and for staying engaged in the months ahead as this referendum is very important for our students, staff, and community in the Northern Ozaukee School District. If you have any questions or would like to set-up an individual or small group meeting, please feel free to reach out to either of us.

Sincerely,

David Karrels  
Superintendent of Schools  
Northern Ozaukee School District
