"Everybody can be great. Because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and your verb agree to serve.... You don't have to know the second theory of thermodynamics in physics to serve. You only need a heart full of grace. A soul generated by love."

~Martin Luther King, Jr.

When applying for a scholarship or to a college, remember that many of the fellow applicants will share an academic profile similar to yours. They may also share an extra-curricular profile much like yours. ***How do you attempt to stand out from the crowd?***
