

NOSD Kindergarten Math Standards

Mathematical Practices:

- Make sense of problems and persevere in solving them
- Reason abstractly and quantitatively
- Construct viable arguments and critique the reasoning of others
- Model with mathematics
- Use appropriate tools strategically
- Attend to precision
- Look for and make use of structure
- Look for and express regularity in repeated reasoning

Counting and Cardinality:

- Know the number names and the count sequence
- Count to tell the number of objects.

Operations and Algebraic Thinking:

- Understand addition as putting together and adding to, and understand subtraction as taking apart and taking from

Number and Operation in Base Ten:

- Work with numbers 11-19 to gain foundations for place value

Measurement and Data:

- Describe and compare measurable attributes
- Classify objects and count the number of objects in categories
